

# Family Traffic Safety Contract

We, **the** \_\_\_\_\_ **family**, promise to be safe in and around traffic. These promises are important to us because:

(Write three reasons why safety is important to the family below)

1. \_\_\_\_\_
2. \_\_\_\_\_
3. \_\_\_\_\_

## The grown-ups promise to:

- Keep my hands on the wheel and my eyes on the road when I am driving.
- Not touch my phone while driving.
- Drive the speed limit.
- Check my surroundings before changing lanes.
- Make sure everyone is buckled up in the right car seat or seat belt for every trip.
- Always look for people walking and biking when I'm driving and give them safe space.
- Always look and listen for cars when I'm walking.
- Use the crosswalk when crossing the street and look both ways before crossing.
- Other: \_\_\_\_\_

## The kids promise to:

- Always buckle up for every ride and ask others to buckle up too. If I ride with someone who refuses to wear a seatbelt, I will tell \_\_\_\_\_ afterwards.
- Speak up if I'm riding with a driver who is being unsafe and tell \_\_\_\_\_ afterwards. This includes drivers who speed, use a phone while driving, don't wear a seatbelt, drive aggressively, or otherwise make me feel unsafe.
- Let the driver focus by being quiet and respectful.
- Always look and listen for cars when I'm walking - including parking lots.
- Use the crosswalk when crossing the street and look both ways before crossing.
- Other: \_\_\_\_\_

If any of us fails to keep our promises, we will **lovingly** remind each other of this contract and our reasons for being safe.

**Signed,**
