

# Teen Driver Contract

We, **the** \_\_\_\_\_ **family**, promise to be safe in and around traffic.  
These promises are important to us because:

(Write three reasons why safety is important to the family below)

1. \_\_\_\_\_
2. \_\_\_\_\_
3. \_\_\_\_\_

\_\_\_\_\_, **the teen driver, promises to:**

- Not touch my phone while driving.
- Drive the speed limit.
- Make sure everyone is buckled up before the car moves.
- Never drive with more than one passenger at any time.
- Only drive when I am completely sober and awake.
- Speak up if I'm riding with a driver who is being unsafe and tell \_\_\_\_\_ afterwards.
- Text my parents before I drive somewhere and again when I arrive safely.
- Contact my parents for a safe ride home if I am ever in a situation without a safe, sober, alert driver.
- Other: \_\_\_\_\_

\_\_\_\_\_, **the parents, promise to:**

- Stay calm when riding with our teen driver.
- Give driving wisdom using "I" words and stories of personal experience.
- Practice with our teen driver in a variety of situations and road types (nighttime, rain, highways, rural roads, etc.).
- Ask open-ended questions while riding with our teen driver to help them anticipate tricky situations.
- Other: \_\_\_\_\_

If any of us fails to keep our promises, we will **lovingly** remind each other of this contract and our reasons for being safe.

**Signed,**
